

Rockoff Center
For Dermatology, Laser & Plastic Surgery

Pre-visit Check list

- Referral/Prior-Authorization: If your insurance requires a referral or a prior-authorization, your Primary Care Physician must process your referral prior to your visit.
- Insurance Card: we accept all type of insurance; please contact your insurance company to verify your coverage.
- Primary Care physician information: name and address
- Pharmacy information for prescription refills
- New patients: print and fill patient registration form prior to your visit, or arrive 10 minutes before your appointment.
